Experience

Internship at Techsphere as React Developer

June 2023 - July 2023

• Projects: buildingonlinedevs.vercel.app, novarift.vercel.app

Education

Diploma in Computer Engineering - Shri Bhagubhai Mafatlal Polytechnic

2021 - 2024

My academic performance has remained consistently high, with scores ranging from 86% to 96% in all examinations.

Major Coursework - C++ and Python Programming, Data Structures and Algorithms, Database Management Systems, Software Testing, Microcontroller Programming, Operating Systems and Cloud Computing (AWS)

Academic Final Project - Younova, a platform empowering creators to produce diverse content and grow loyal followings through personalized recommendations and blog integrations. [Project Documentation](#).

Projects

Shri Bhagubhai Mafatlal College Cultural Website

bhagubhaicultural.vercel.app

Developed the Shri Bhagubhai Mafatlal College Cultural Website, featuring a mobile-responsive design and a backend dashboard for updating website content and showcasing all previous events using MERN stack and all related.

Building Online Devs - Online Course Platform

[github/Building-Online-Devs](https://github.com/Building-Online-Devs)

Gateway to top-tier tech education with curated courses for all skill levels utilizing MERN stack, JSX, Redux.js, Tailwind.js, Framer Motion, Figma, CSS, HTML5 and PostCSS.

Navnitam - Educational Management System

[github/navnitam](https://github.com/navnitam)

Developed this platform for college student management, facilitating online attendance tracking, student reports generation, and efficient storage of class data in organized folders for easy access.

Younova - Media & Blogs Viewing Platform

younova.vercel.app

Utilized AWS, Vercel, React, Redux.js, Tailwind CSS, DynamoDB, MongoDB, Express.js, Cloudinary, Flask, JWT for authentication, Vite, Google Recaptcha, Canva, Figma, GitHub, Google Sheets, Selenium, Crypto.js, Docker, Photoshop, and integrated ChatGPT in the Younova project with App and Website both online and live.

Skills

Languages: C, C++, Data Structure with Java, JavaScript, HTML, CSS, Python, Typescript

Frameworks & Databases: MERN stack, Flask, MongoDB, Sanity, Firebase, Cloudinary

Skills: Event Management, Project Management, Marketing, Team Management

Others: Git, GitHub, Canva, Figma, Docker, Financial Markets, Cisco (Networking)

Awards & Achievements

Hackathons & Competitions: Technothon 2024 (Vivekanand Education Society, Grand Finalist), MET India Finland Hackathon 2023, IDEATHON 2024 (SPIT College), DJ Sanghvi DataHack 2.0, TechFair'23 (State Level Paper Presentation), Technovanza 2024 (VJTI College), Technical Treasure Hunt Ignite 2023 (Bhagubhai College)

Certificate of Appreciation for Cultural Event Management

2022 - 2023 and 2023 - 2024

Appreciation for being Newsletter Editor

2023

Appreciation letter for Organizing Event Enigma24

2024

Professional Affiliations

Cultural Event Management - Orientation, Rass Eve, FesTum, Nakshatra

2022-2024

Led a team of over 100 students to organize numerous community events, with various departmental heads.

Student Chapter Representative SCR

2022-2023
